

**Muir Street to Nepean Highway Frankston South
Foreshore Stair Replacement Project
CONTRACT No. 2009-2010 – 32**

Tenders are invited from specialised contractors and will be received by the undersigned in sealed envelopes, endorsed Tender for **Contract No. 2009-2010-32**, until **2:00pm** on **Thursday, 19 November, 2009**.

This project involves the demolition and replacement of existing access stairs which enable pedestrian access between Muir Street and Nepean Highway in Frankston South. The total horizontal length of the stairs is 33 metres, made up of 9 flights and landings. Other works include 65 m² of footpath construction, footings construction, handrail installation, minor drainage works, 600mm high timber sleeper retaining wall work and minor fencing replacement.

Tender documents can be obtained by sending a non-refundable fee of **\$99** payable to Frankston City Council, Infrastructure Department, PO Box 490, Frankston 3199, or phone 9784 1884.

Prospective tenderers who are not registered under Council's Registration and Pre-qualification Scheme need to go to Council's web site: www.frankston.vic.gov.au and register online. Any tender submitted by a tenderer failing to comply with this requirement may be deemed to be invalid.

The lowest or any tender not necessarily accepted.
