

Community Playgroups

Playgroups are informal sessions where parents, caregivers and children from newborn to five years of age can play and socialise together. Set up and run by parents and caregivers, playgroups allow a choice of activities (free or low-cost) that meet varying needs of children

Our Playgroup Development Officer can assist you to join one of the many playgroups operating in Frankston City.

Want to start a new playgroup?

If you are interested in starting your own playgroup, please contact our Playgroup Development Officer who can assist and offer support to get you started.

Pop Up Playgroups

These sessions are held in changing locations and venues across the Frankston Municipality.

Free for anyone to attend with children newborn to five years. Facilitated by our playgroup team. Bookings are not required.

Locations and dates are regularly updated on our website.

Supported Playgroups

A Supported Playgroup is a welcoming environment for parents and caregivers to come together with their children to connect with each other and their local community.

Our Supported Playgroups are facilitated by experienced early childhood professionals who will work alongside adults and children to support adult / child interactions during play.

Supported Playgroups are for eligible families with children newborn to five years.

They are Free to attend and run weekly at various locations (during school term)

Eligibility criteria applies.
