

Frankston City Council Waste Education Programs

Please review our program information guide

Let's Talk Rubbish

Frankston City Council offers free waste education programs to kindergartens and primary schools as part of the **'Let's talk rubbish'** initiative. The sessions have been developed to support schools in transitioning to more sustainable waste management practices.

Core Programs

Frankston City Council offer two educational programs;

- **Feed the Bins**
- **Waste Audit**

They can be facilitated by a Waste Education Officer from Frankston City Council or teaching resources can be provided by filling out our registration form.

Waste Circularity Education Officer for
more details!

Program Descriptions:

Feed the Bins:

This is the 'Let's talk rubbish' foundational program. Frankston City Council will promote our commonly used colour coded 4-bin system using our newest members of the Waste Circularity team, 'The Bin Monsters'. The main goal of this program is making sure our school communities understand the importance of the 4-bin system and how to use it the right way.

Session Length: 40-50 minutes.

Waste audit:

The Waste Audit program is interactive and requires children to be involved with the sorting of rubbish, which will help students understand the difference between waste that goes to landfill, waste that can be recycled and waste that is organic material and can be recovered through compost. Session length: 1.5 hours.

Get in touch with council to arrange a Waste Education Officer to come to your school and facilitate these programs.

Contact

For education program enquiries, contact our Waste Education Officer and for any compost enquiries contact our Waste Circularity Officer via;
wasteadmin@frankston.vic.gov.au

To BOOK a session or obtain teaching resources please use our registration form on the Frankston City Council's waste education page.

Additional Resources

Schools, Teachers and families; get to know Frankston City Council's newest additions to the Waste Circularity team, 'The Bin Monsters'! Bin Monsters are lovable characters to guide us through the journey of proper waste disposal.

For further information please visit Frankston City Council's waste education page via the website, www.frankston.vic.gov.au.
