

# ATTENTION VISITORS

To preserve the well-kept beauty of the Cemetery grounds and to reduce risk of injury the following items are **NOT** permitted within the Cemetery grounds:

- Glass, Tins or Paint
- Ornaments (metal, glass and/or ceramic)
- Fairy Lights
- Wood chips/Pine bark

Artificial flowers are to be kept to a minimum and **NOT** to be attached to any trees, plants or rocks. Non approved items as well as expired artificial flowers will be removed and disposed of without prior notification.

Please respect and **DO NOT** encroach on the memorial or burial locations of the neighbouring families. Tributes that encroach on neighbouring burial or memorial positions often cause distress to neighbouring families.

For environmental reasons, please **REMOVE** wrapping and rubber bands from floral arrangements **BEFORE** they are placed in the vases. Wrappings present a significant litter issue. When visiting we ask for your assistance in removing withered or weathered floral tributes and placing them in the bins provided.

Note: The Cemetery Trust act in accordance with The Cemeteries and Crematoria Act 2003, as well as the Regulations 2015, Schedule 2, Part 3.
