

# Kananook Commuter Car Park Construction Update June 2024

**Further to our May bulletin, the signalisation and upgrade of Bardia Avenue & Wells Road Intersection are now confirmed.**

## Description of Works

Full Signalisation of Intersection, Electrical and Lighting Upgrade, Drainage works, Kerb and Channel, Traffic Islands, Concrete Paths, Asphalt, Line Marking and Traffic Signages.

## Timing of Works

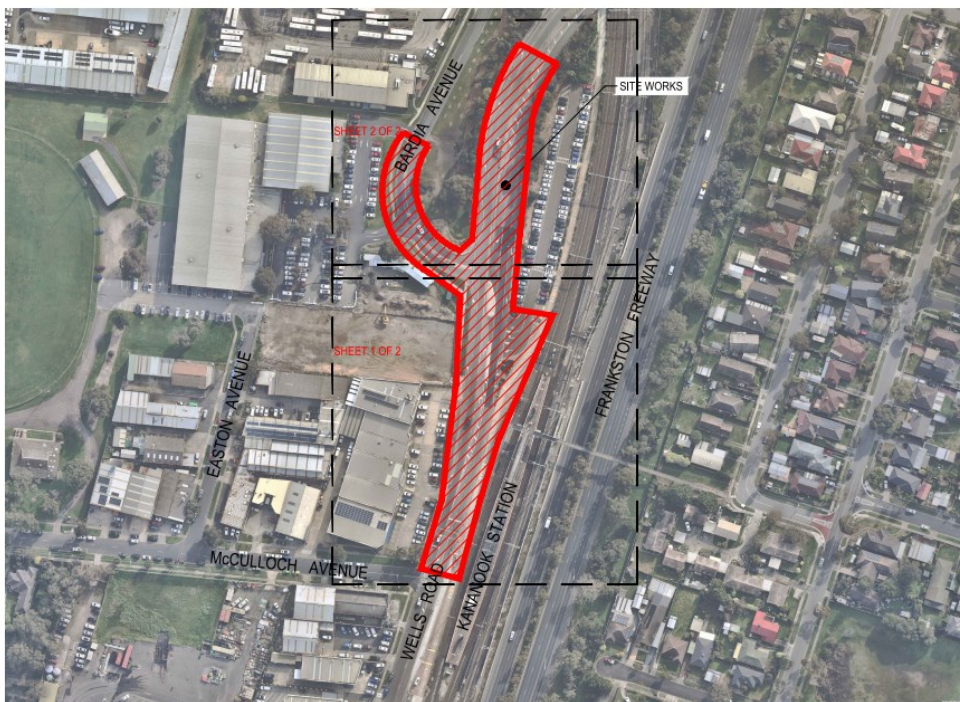

Commencement: Monday 1<sup>st</sup> July 2024

Proposed Projected Date of Completion: 31 October 2024.

## Disruption Expected

While traffic flow through the intersection will remain during construction, the commute through this intersection will be subject to delays due to traffic management to allow workers to work safely. For your safety and the safety of construction staff, signage and directions from onsite traffic controllers must be always followed.

The proposed work area (within RED line) is shown below:
