

Sporting Clubs Supporting 16 Days of Activism Campaign – 2022

Between Friday the **25th of November** and Saturday the **10 of December**, Council encouraged sporting clubs to participate in dedicated '16 Days of Activism Rounds'. 16 Days of Activism (16DoA) is an annual United Nations campaign to challenge violence against women and girls.

Clubs were encouraged to:

- Wear Orange in support of the Campaign
- Have players wear an Orange Arm Tape
- Promote posters and flyers around the club room and on social media.
- Read a short blurb before any main matches or a few times throughout the day to help raise awareness of the campaign.

We would like to give a big thanks to the following participating clubs for getting involved:

- Frankston Football Club
- Frankston Women's Cricket Club
- Baxter Soccer Club
- Baxter Cricket Club
- Frankston District Netball Association
- Carrum Bowling Club
