Roads and Footpaths Projects

Local Area Traffic Management (LATM) Implementation

<p>Seaford LATM - This project has three roundabouts planned, a recent federal funding application for two of three roundabout was unsuccessful this year and considering their evaluation criteria it may not qualify for further rounds of funding. We have a shortfall to address and this presents a co-funding opportunity.</p> <ul style="list-style-type: none"> Construction of Roundabout at Coonara Avenue and Railway Parade, Seaford: Budget \$550,000 (Construction 2024/25) Construction of Roundabout at Selsey Street and Railway Parade, Seaford: Budget \$550,000 (Construction 2024/25) 	2023-2024	(Shortfall of \$540k)
<p>Belvedere Precinct LATM (Belvedere Precinct Carpark)</p> <p>A new overflow Car parking to provide additional car parking options to the Belvedere Park Precinct. The additional car parking is</p>	2023-2024	\$800,000

<p>to be located immediately to the west of the Belvedere Bowls Club on East Road, where land currently exists and is not utilised formally for car parking purposes.</p> <p>Budget: \$75,000 FY 2023/24 for design <u>\$725,000</u> FY 2024/25 for construction</p>
