Conditions and Issue of Use: Casual Waste Bin/Shipping Container Permit

SUPPLIER

The supplier shall:

- Ensure that the item is maintained in good order and that the company name and telephone number are clearly visible
 - Ensure the specified retro-reflective material is affixed to the item to ensure its visibility at all times
 - Seek approval and a permit from Council prior to placing the item on Council land
 - Comply with Councils provisions for the placement of the item and the Bulk Rubbish Container Conditions and Issue of Use
 - Ensure the hirer is aware of the type of contents that may be placed in the item and their responsibility to reduce litter
 - Ensure the driver is aware of the need to place the item in accordance with Councils direction
 - Ensure that the item is removed within the time frame outlined on the permit issued by Council
 - Contact Council to arrange for an extension of time if the item is required to be placed on Council land for longer than the duration permitted as per the permit issued.
 - Rectify damage to assets (including the road, road reserve, nature strip or other assets) as a consequence of placement or collection of the item
-

DRIVER

The driver shall ensure that:

- Permit authorisation from Council has been obtained to place the item in the agreed location prior to accepting the item for delivery
 - Ensure the item is placed in accordance with the permit conditions
 - All signage and parking restrictions are observed, unless written permission has been granted by Council
 - Advice is provided to the supplier if it is not possible to place the item in accordance with the permit conditions
 - The conditions of the permit are explained to, and understood by the hirer
 - The item is not in an overloaded state at any time, or in a state which permits spillage whilst in transport
-

HIRER

The hirer shall, where possible, ensure:

- The item does not cause an obstruction
- Items are secured and cannot be readily dislodged
- The Item is not left in an overloaded state and;
- The item is made safe and removed when directed by Council or the responsible authority

PERMIT CONDITIONS

- Suppliers must complete Frankston City Council's Waste Bin/Shipping Container Permit Application form and submit it to Council with the required supporting documentation prior to the placement of the item being placed on Council land
- All applicants must provide a copy of Certificate of Currency (Public Liability Insurance). Cover must be current for the dates proposed to conduct the activity and show cover to the value of or greater than \$10 million
- All applications for Shipping Containers must include a site plan 1:100 or a full colour photograph identifying the proposed location where the item will be placed. The documentation provided must clearly show the location of existing trees, light poles, signs, pits, fire hydrants, car parking, bus stops, driveways, footpaths and the road
- Frankston City Council reserves the right to request additional information or documentation that may support the application
- Any instruction(s)/direction(s) issued by an authorised officer of Frankston City Council or a member of Victoria Police must be complied with immediately
- Any instruction(s)/direction(s) issued by an authorised officer of Frankston City Council or a member of Victoria Police not complied with may result in the issuing of an infringement to the individual under Infringement 'Failure to comply with the direction of an authorised officer'
- The area must be left in a clean state to the satisfaction of Frankston City Council. Any unreasonable damage or spoiling of an asset as a result of the activity will incur a rectification cost
- Litter dropped must be retrieved immediately. Failure to do so will result in cleaning and/or infringement costs
- Placement of an item outside the Conditions and Issue of Use are prohibited and subject to enforcement
- Items must not be located in high volume pedestrian and vehicle traffic area, unless there is no other alternative
- Clear access to laneways and right of ways (or cul-de-sacs) must be maintained at all times
- Reasonable access to, or egress from private driveways, must be maintained
- Items are not permitted to be located where they would cause an obstruction to delivery vehicles
- Items must not be placed on a road where the stopping of motor vehicles is prohibited under the Road Rules – Victoria such as: on a length of road or area to which a 'No Stopping' or 'No Parking' sign applies.
- Items must not be placed within 20 metres of an intersection with traffic lights, and within 10 metres of an intersection without traffic lights
- Items must not be placed within 20 metres before and 10 metres after a school crossing, pedestrian crossing or bus stop
- Items must not be placed within 20 metres either side of a railway crossing
- Items must not be placed in a 'Clearway', in a taxi or bus zone, or in a loading zone
- Items must not be placed on a median strip or traffic island
- All parking regulations, other than restrictions on timed parking, are to be complied with unless signs indicate otherwise
- Where an item is placed on a roadway, it must be positioned as close to, and parallel to, the kerb as practicable
- Items are not permitted in locations which obstruct access to utility service manholes or devices which require servicing (eg. Traffic signal boxes, telephone boxes, post boxes, fire hydrants or plugs etc)
- Items are not to be positioned on a hill or curve where the view of the item is not clear for at least 100 metres along the road
- All items placed on the road must be marked with yellow retro-reflective tape. Tape is to be at least 50mm wide and a minimum horizontal length of 200mm and 350mm high. Tape must be placed in the pattern of an inverted 'L' located as close as practical to each top corner to identify its length, width and height. Markings at opposite ends of each side shall be placed at the same relative height. Retro-reflective tape must be kept clean and be subject to regular frequent inspection by the supplier. Damaged tape must be replaced to ensure adequate visibility is maintained
- When required by Council, yellow flashing lights are to be placed on the corner of the item when it is left on a nature strip or road and must be operative between sunset and sunrise
- Any permit which is obtained as a result of providing false or misleading information may be cancelled and the supplier may be ineligible to obtain a permit for a period of up to twelve (12) months
- Failure to comply with the Condition and Issue of Use may result in cancellation or withdrawal of the permit(s) and the supplier may be ineligible to obtain a permit for a period of up to twelve (12) months
- Frankston City Council reserves the right to withdraw a permit at any time
- Frankston City Council reserves the right to change the Conditions and Issue of Use of the permit at any time

Suppliers, drivers and hirers must comply with the following including relevant legislation not listed below:

- Frankston City Council Community Local Law 2020
- Road Safety (General) Regulations 2019
- VicRoads Code of Practice for the Placement of Waste Bins on Roadsides

Map showing the area where Temporary Parking Bay permits are required when skip bin or containers are being placed.
